

Agr International, Inc. has served the packaging industry as a leading supplier of quality assurance equipment for over 90 years. We offer a wide range of equipment for the laboratory and on-line container production settings. Our equipment incorporates multiple technologies including infrared light absorption, sonic, capacitive sensing and vision-based technology.

Agr International, Inc. is located in Butler, Pennsylvania (approximately one hour north of Pittsburgh). For additional information about our company and products, please visit our website at www.agrintl.com.

We are seeking an Electronics Assembler for our Manufacturing Department. Entry Level to Expert Level skilled candidates are encouraged to apply, as we have multiple grade levels based on experience.

Job Summary:

This position is responsible for assembly of electrical sub-assemblies, as well as light mechanical sub-assemblies. This position requires on-the-job training necessary to learn AGR's product lines.

Qualifications:

- High school diploma or equivalent.
- Technical education with electrical or electronics emphasis is a plus.
- Experience in electrical/electronics assembly is a plus.
- Proficient at hand soldering.
- Ability to follow verbal and written instructions such as procedures, bill of materials, shop orders, drawings, and component identification.
- Good written and verbal communication skills.
- Experience with MS office and basic computer skills is a plus.
- Must be able to lift 50 pounds with assistance.

Responsibilities:

- Assemble electrical subassemblies and prepare components for assembly, often requiring a high degree of precision.
- Fabricate cables, wire harnesses, load circuit boards, and wiring of electronic components.
- Perform all work in a safe manner, including proper use of personal protective equipment.
- Perform all work in accordance with acceptable quality standards.
- Complete required documents and provide supervisor with accurate production data.
- Use the in-house computer system to access information as necessary.

We offer a competitive salary and comprehensive benefits package.

For consideration, please email resume and cover letter to elecasmblr@agrintl.com.
