

Agr International, Inc. has served the packaging industry as a leading supplier of quality assurance equipment for 90 years. We offer a wide range of equipment for the laboratory and on-line container production settings. Our equipment incorporates multiple technologies including infrared light absorption, sonic, capacitive sensing and vision-based technology.

Agr International, Inc. is located in Butler, Pennsylvania (approximately one hour north of Pittsburgh). For additional information about our company and products, please visit our website at www.agrintl.com.

We are seeking a **part-time Stockroom Attendant** for our Materials/Planning Group. The normal work schedule for this position will be Monday through Friday, four hours per day within the hours of 8 a.m. and 4:30 p.m.

Under guidance of the lead person, this position will be responsible for:

- accurate and timely record keeping through the computer system
- pulling parts for internal as well as external customers
- cycle counting
- packaging small orders for shipment
- assisting with unloading of trucks
- receiving incoming shipments into the computer system

The person in this position should be able to lift up to 50 lbs.

This position requires moving throughout the work area and bending and reaching for parts on shelves above and below waist level.

The person in this position will have to follow established procedures and guidelines.

We will be looking for someone with the following qualifications:

- High school diploma or equivalent
- Basic math skills
- Ability to use a pallet jack and small hand tools
- Previous experience in a warehouse/stockroom is desirable

We offer a competitive salary and comprehensive benefits package.

For consideration, please email resume and cover letter to stockroom@agrintl.com.
