We are seeking a talented **Graphic Designer/Media Specialist** to work within our Corporate Marketing Department at our Butler, PA facility.

This individual will work as an integral part of the marketing team and will be responsible for all corporate graphic and design elements. Primary responsibilities will include preparation of marketing and sales support materials, with close interaction with outside printing and publishing houses

The right candidate will be passionate about their work, aware of current trends in business to business marketing and have experience in many different aspects of design as well as a basic foundation of marketing principles.

The Graphic Designer/Media Specialist must:

- have the ability to illustrate concepts by designing examples of art arrangement, size, type size, and style.
- be able to refine elements based on management direction as well as have the ability to work under tight deadlines and juggle multiple tasks.
- be creative and have the ability to provide dynamic designs for a variety of projects

Qualifications:

- Bachelor's Degree in Graphic Design or related field
- 5 years graphic design experience in the production of print-ready brochures, advertisements, web graphics and related sales support materials for print and digital media.
- Knowledge and experience using Adobe Creative Suite (InDesign, Illustrator, Photoshop & Acrobat) along with some experience with video editing. Must be proficient with above programs on MAC and PC platforms.
- Understanding of WordPress preferred.
- Experience with digital photography and video a plus.

Portfolio of recent creative examples required.

Agr offers a competitive salary and comprehensive benefits package.
