

Agr International, Inc., a Western Pennsylvania firm with world-leading measurement & inspection technology, is looking for a **Quality Assurance Technician**.

Our equipment incorporates multiple technologies including infrared light absorption, sonic, capacitive sensing and vision-based technology.

Agr International, Inc. headquarters is located in Butler, Pennsylvania (approximately one hour north of Pittsburgh). For additional information about our company and products, please visit our website at www.agrintl.com.

Primary Duties:

- Inspect parts, products, and/or processes to insure conformance with standards/specifications.
- Based on approved design specifications, define and document inspection test plans and inspection drawings.
- Perform inspections per approved inspection plans, record inspection data, and analyze and interpret inspection results. Accept or reject inspected items through the Material Review Board.
- Investigate and report operational problems in conjunction with Engineering, Manufacturing, or Quality personnel.
- Support the Agr Technician Product Certification testing program by issuing document links for computer-based testing, grading completed tests, reporting results, and tracking certification status by product and technician.

Qualifications:

Associate of Applied Science, or Associate of Science, or higher technical/science degree in Metrology, Electronics / Electrical, Mechanical, Physics, Mathematics, or Chemistry, along with 1 to 3 years work experience in a technical, product manufacturing, or quality control role.

Or,

ASQ Certified Quality Inspector, Certified Quality Technician, or Certified Quality Engineer with 2 to 5 years quality system experience.

Skills:

Good verbal and written communication skills

Technical analysis and critical thinking skills

Working knowledge of Word, Excel, email, basic statistics

Travel Requirements:

Minimal/occasional travel to domestic and international sites.

We offer a competitive salary and comprehensive benefits package.

For consideration, please email resume to QATech@agrintl.com.

U.S. Workers only. EOE.
